

HOW AFFILIATE PROGRAM WORKS | STEP BY STEP GUIDE

In order to join our Affiliate Program, you need to follow these steps:

1. Create an affiliate account using the link "JOIN US" on our website.
2. From within your account, go to "Settings/Account" page to confirm your Paypal email for Payments. By default, the same email used for register will be used for Paypal payments, feel free to change it at any time.
3. Enable a copy of affiliates sales emails at "Settings/Notifications" to receive an email each time that your affiliate links are used to process an order.
4. Enable Weekly Sales Report at "Settings/Sales Summary Emails" if you want to receive a recap of your week's sales activity to your account email address.
5. To get your personal affiliate links go to Programs/Digital Brain Instruments Affiliate Program and click "Click to See Affiliate Links". Here you can find all your personal affiliate links, there is a different link for each product.
6. Promote this links wherever you want, social media, blogs, emails or any other channel.
7. Earn commission every time you drive a sale on our way using your personal links. You will get an email each time you drive a sale if you have enabled affiliate sales emails within your affiliate account.
